

How to – Use Author Center

The screenshot shows the website for the 2009 US-EU-China Thermophysics Conference. The header includes the conference title and location. A navigation menu on the left lists various options, with 'Author Center' highlighted. A central banner image shows rickshaws. A right sidebar contains a 'Logout' button and a list of important dates. A blue callout box explains the purpose of the Author Center, and another blue callout box provides login instructions.

Abstract	economy: The Commerce Department said that personal income was up 0.5% in August but spending was unchanged. In July, income fell 0.7% and spending rose 0.2%. Markets: The U.S. isn't the only nation to suffer from market malaise over the ongoing bailout plan. European markets were down in Monday trading, and the Asian markets closed lower. The dollar slipped versus the yen, but rose against the euro and the British pound. Oil prices fell \$5.74 a barrel in electronic trading to \$101.15, on concerns over the international market slowdown. To top of page
